CIAV-VERNADOC 2019 INSTRUCTIONS

SITE: World Heritage Pingyao Ancient Town, China

DATE: 23rd August – 5th September 2019 (2 Weeks)

PARTICIPANTS: 20 Total

All the participants should have passion for the conservation of vernacular architecture and be ready to spend the whole time together in the field and work in harsh conditions. Participants should use their own tools and materials with basic documentation skills.

-8-10 International Veterans

Available to all VERNADOC group participants or people interested with rich experience in measurement and hand drawing. VD organizers are in priority.

-6-8 Domestic Professionals

Available to all experienced professionals in vernacular architecture, students or postgraduates with relevant architecture background and people interested in vernacular heritage conservation. VD-veterans are in priority.

-2-5 Local Participants

Available to residents who are interested in local vernacular architecture or local students interested in developing their technical drawing skills

SCHEDULE

- First week: Lecture, measuring documentation on site.
- Second week: Technical drawings and hand inking on paper inside.
- Final day: Closing ceremony for certification and assembling exhibition.
- Visit of Pingyao ancient town will be arranged according to the process.

LANGUAGE: Basic English except local participants

CERTIFICATE: The participants will be awarded a certificate at the end of the camp.

COSTS:

All the participants are in charge of their travel expenses to Pingyao.
Local accommodation and meals will be provided by the organizer and host.

-

APPLICATION: Applicants should send a short CV including personal information, intention, experience in relevant workshop and one drawing on-site to our official mail:
2019ciav-isceah@whitr-ap.org

All applications must be submitted before June 30th. Result of selection will be informed by mail after July 5th.
